

webbsoft MicroStats

For serious golfers of all levels and handicaps

MicroStats is the ideal golf statistical analysis tool that enables you to identify what needs to change in your game.

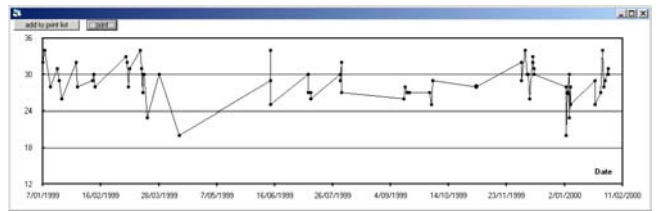

Unlike other golf stats packages, MicroStats provides detailed information on where you are losing your shots and is designed for serious golfers who want to perform better.

Taking only a few minutes to enter a round, MicroStats provides detailed output on your strengths and weaknesses, allowing you to play to your strengths and work on your weaknesses.
